Notes for the Evaluator

The member completing this speech is working to develop a method for delivering effective impromptu speeches and to practice adapting rehearsed stories during an impromptu speech.

About this speech:

- The Toastmaster of the Day will choose at random a speech topic from the list provided.
- The member will complete two speeches: one on the first topic drawn and one on the second.
- The Toastmaster will select the topics one at a time, only selecting the second topic after the first speech is complete.
- Evaluate the member on both speeches. If one is significantly better than the other, you may choose to score the more successful speech and make notes about the reasons you think the second speech was less successful.
- As you evaluate, consider the member's poise and presentation, the humor of their stories, and how well they connected their stories to the topic.
